Naturally, the ordinary "somatic cells" of an adult human body, with their genetic equipment working only in highly specialized ways, cannot divide into a whole organism if left to themselves. Many body cells, such as those of the muscles or nerves, have become so specialized they can't divide at all. Only the sex cells, eggs and sperm, retain the lack of genetic specialization required to produce a new organism under the proper circumstances.. Stella, do you want her as much as I?. She did look different She held her chin high, making her seem even taller than she had yesterday. Her eye contact was direct rather than through her lashes, and the color of her eyes themselves was less goldstone than the feral warmth of topaz. He sang songs she had never heard before, singing them softly into. He had been born almost at the end of the Lean Years following the war, so he didn't remember about that period, but his father had told him about the times when fifty million people lived amid shantytown squalor around the blackened and twisted skeletons of their cities and huddled in lines in the snow for their ration of soup and bread at government field-kitchens; about his mother laboring fifteen hours a day cutting boards for prefabricated houses to put two skimpy meals of beef broth and rice from the Chinese food ships on the table each day and to buy one pair of utility-brand pressed-paper shoes per person every six months; about his older brother killed in the fighting with the hordes that had come plundering from the Caribbean and from the south.. When the blowout started, Lang had snapped on her helmet quickly. Then she had struggled against the blizzard and the undulating dome bottom, heading for the roofless framework where the other members of the expedition were sleeping. The blowout was over in ten seconds, and she then had the problem of coping with, the collapsing roof, which promptly buried her in folds of clear plastic. It was far too much like one of those nightmares of running knee-deep in quicksand. She had to fight for every meter, but she made it.. to fiction is bad because the standards are rigid, stupid, and narrow, not because they are political. For. "I can't say I have.
