"I, somewhat naturally, am a connoisseur of buildings, and I promise you, Miss Gail, that nowhere else will you find such a free exercise of idiosyncrasies in home design."This statement is, I think, based on a cognitive error inculcated (probably) by American high school education. The error is that all proofs

must be of the "hard" kind, i.e., cut-and-dried and susceptible of presentation in syllogistic form. An acquaintance with the modern philosophy of science would disabuse people of this notion; even a surprising amount of scientific proof is not of this kind. As philosophers since Plato have been pointing out, aesthetic and moral matters are usually not susceptible of such "hard" proof.. "Who are they?" Ralston asked. "You think we're going to be meeting some Martians? People? I don't see how. I don't believe it." "I had to catch you before you started following that tiresome woman with the car." And she was right Nolan knew it now. At least they'd be together and that would help see him through. He wouldn't need the bottle any more, and he wouldn't need Nina..that never seemed to be finished. So he and Lang had to learn about the new discoveries at the nightly.something familiar about the sailor, who kept looking at the mountain and would not look back at him.. "We'll stop that sort of thinking right now. I'm tile mission commander. I appreciate you taking over while I was . . . how did you say it? Indisposed. But you should pay more attention to the social aspects of our situation. If anyone is a commodity here, it's you and Ralston, by virtue of your scarcity. There will be some thorny questions to resolve there, but for the meantime we will function as a unit, under my command. We'll do all we can to minimize social competition among the women for the men. That's the way it must be. Clear?". "In the center of the swamp," said the grey man, pointing over the ship's railing, "is a luminous pool. At the bottom of the pool is a piece of mirror. Can you be back by lunch?". "Insignificant seismic above threshold at eight hundred yards. Downwind ratio less than five points up at four hundred. Negative corroboration from acoustics-background swamping." The computers were unable to identify vibration patterns correlating with human activity in the data coming in from the sensing devices quietly scattered around the gorge by low-flying, remote piloted "bees" on and off throughout the night; the chemical sensors located to the leeward of the suspected decoys were detecting little of the odor molecules characteristic of human bodies; the microphones had yielded nothing in the way of coherent sound patterns, but this was doubtless because of the white-noise background being generated in the vicinity of the stream. Although the evidence was only partial and negative at that, it supported Swyley's assertion that the main road down to the objective was, incredibly, virtually undefended for the time being.. "I know a psychiatrist who spends her weekends here in Aventine. Perhaps she can help." "I'm afraid I-have to say they're a liability. Lucy will be needing extra food during her pregnancy, and afterward, and it will be an extra mouth to feed. We can't afford the strain on our resources." "In the area that concerns all of us here in our day-to-day lives, the accelerating pace of the space program has brought a lot of excitement in the last two decades. Some inspiring achievements have helped offset the less encouraging news from other quarters: We have established permanent bases on the Moon and Mars; colonies are being built in space; a manned mission has reached the moons of Jupiter; and robots are out exploring the farthest reaches of the Solar System and beyond. But" --he extended his arms in an animated sigh---"these operations have been national, not international. Despite the hopes and the words of years gone by, militarization has followed everywhere close on the heels of exploration, and we are led to the inescapable conclusion that a war, if it comes, would soon spread beyond the confines of the surface and jeopardize our species everywhere.
